THE BLOCKADE CLEARED.

In regard to the freight blockade on the Texas Pacific information is to the effect that the water in the Atchafalaya river is rising rapidly, and in consequence the inclines are working ricely. Within the past fortz-eight block at the river has been greatly relieved, as cars are now being rossed at the rate of 200 a day. Inclines at Gouldsboro are also in first class condition, and at present everything is being pushed along so rapidly that the officials say the whole length of the Texas & Pacific line will be cleared in a few days.
